CUPS FOR CANCER

The Irish Cancer Society, "Cups for Cancer", takes place over the month of October. However, due to Covid 19 restrictions still in place, unfortunately I'm not able to host this event in my home again this year. However I'm still hoping to raise funds for this worthy cause, so I have decided as last year to have a "Take-away option."

A Take-away coffee morning bag will be available on Friday 1st of October.

Bags will be available in Siopa Dúinnín Ballingearry, and O luasa's Ballymakeera on the day and also outside Scoil Fhionnbarra ballingearry on the morning of the 1st from 8.30 to 9.30. Thanking you in advance for your support.

MACROOM PLOUGHING:

History was made in Ratheniska Co. Laois at the Ploughing Championships, when Father and son, J.J. Delaney and Jeremiah competed in the Senior and under 40 Horse classes, and both came away with 1st prize. What a great achievement for both to win at this high level of competition. J.J. last won this competition in 1995

Bonfires awaited them in their home sod in Ballinagree!!!! Celebrations had to be kept at low key due to Covid, but many cheered them on as they returned home, and Peggy Lynch greeted them with their 'anthem' The Horses and Plough, no doubt bigger celebrations will be held when it is safe to do so.

Macroom Ploughing Association of which both are hard working members, would like to congratulate the Delaney Family and their helpers on this great achievement, and wish them many more years of success. God speed the Plough.

CLINICS THROUGHOUT MUNSTER

MCEGAN COLLEGE:

Mr. Paschal Buckley of Macroom Motors with McEgan 6th year Leaving Cert Applied Students and their Engineering teacher Mr. Tim Dennehy at Macroom Motors

Macroom Motors

Leaving Cert Applied students visited Macroom Motors recently as part of their Engineering studies. The students are currently completing a module in Motor Engineering. Mr Paschal Buckley gave students a very informative tour of the company, where they saw first-hand all aspects of such a business, from the panel beating workshop to the service area to the sales department. Paschal outlined the wide variety of careers available within the industry and the many changes it has and is encountering with the ongoing increase in sales of Hybrid models. McEgan College are very grateful to Paschal for facilitating the tour.

Green School Committee

The Green School Committee in McEgan College has been very proactive for the last 10 years. To

date, the school has obtained three green flags for litter and waste, energy and water. The next flag we will be striving towards will be for travel. We are very fortunate that both students and staff support our recycling procedures at McEgan. Paul Lynch, our caretaker, is a recycling enthusiast who works tirelessly with the Green Schools Committee and all the students to recycle as much as we possibly can. He works very hard behind the scenes in supporting the Green School Committee and ensuring its success. We work hard to conserve as much water and energy as possible. The Green School leaders along with Paul give each class as many informative demonstrations as needed throughout the year to show students the correct bins for recycling and waste. There is a litter rota put up each week for students from all classes to take responsibility to

eliminate litter throughout the school and ensure our waste is disposed of in the correct bins for recycling.

The Green School Committee is a very important organisation within the school and we look forward to a busy school year.

Macroom History Walking Tour

Second year history students were fortunate to participate in a walking history tour of the town presented by local historian Dr Con Kelleher. Dr Kelleher explained to the students that Macroom has witnessed many historic events over the centuries, which have occurred within the town centre and its surroundings. The tour also focused on many local events that occurred during the War of Independence and the Civil War.

The tour began on the bridge where pupils learned the origin of the town and the reason for its location. The students also learned why both Protestants and Catholics are buried in the Protestant graveyard. Dr Kelleher also explained to the students the importance of Macroom Castle and the contribution that Lady Ardilaun played in preventing the town and the castle being burned following the Kilmichael Ambush. It was very interesting to learn that Michael Collins stopped in the William's Hotel (The Castle Hotel) before his ambush at Beal na Bláth. Most of the students were not aware of this fact. The students learned about Professor John A Murphy and his contribution to the study of Irish history, while standing outside the house where he grew up. It was a very enjoyable morning walking around the town, learning about the important buildings, people and events that occurred in the past. We are very grateful to Dr Con Kelleher for his knowledge and wonderful guided tour of the town.

GOUGANE SUNDAY.

Last Sunday was pilgrimage day in Gougane Barra with people honouring the Feast Day of Naomh Fionnbarra who is said to have spent some time there before following the course of the Lee, from its source in the mountains to what is now Cork

City. There he founded a monastery in the area that now holds the Protestant Saint Fin Barres Cathedral. His monastery, with a round tower, lasted until the 12th century. Gougane Sunday has always been a big day in Gougane with people coming from all over to pray and remember Naomh Fionnbarra. Bishop Fintan Gavin attended and the homily was given by Father John Heinhold of Bantry.

SPORTS DAY

On Thursday the 16th of September our LCVF classes along with their teacher Ms Tobin and PE Teachers Mrs Kelleher and Mr Hennessy organised a Sports Day for all Junior Students. We were all so delighted to see Mr Cooke who came back to help out on the day. Thanks also to the Buddies who helped out. The sun shone and all involved had a really enjoyable day.

ATHLETICS

EUROPEAN CHAMPIONSHIPS IN ACROBATIC GYMNASTICS

We would like to wish Holly Wenger the very best of luck, Holly left for Italy last week to represent Ireland at the European Championships in Acrobatic Gymnastics. This is the third time Holly has had the chance to represent her country. The last 18 months have been incredibly difficult for everyone but from October 2020 through to May 2021 the gym was closed and Holly trained at home 6 days a week. This included gymnastics classes over zoom! The gym reopened for some gymnasts in May and Holly was put into a new partnership with her partners Erin and Elizabeth. They were given the opportunity to trial for the championships and trained really hard for long hours. A series of injuries almost made them miss their trial, but eventually they made it and got selected onto the Irish team in August. Since school restarted Holly has been training 5 days a week, usually with a break on Wednesdays and Saturdays. Straight home after school to eat and then into the gym. Home at 9.15pm for shower, homework and sleep!! It hasn't been an easy journey this time round with the added stress of trying not to catch Covid-19. The girls will compete 2 routines, with lots of training sessions in between. We are so proud of you Holly, you truly are an inspiration.

MERCY DAY

Mercy" in 1827. Catherine McAuley, founder of the Sisters of Mercy, devoted her life to the poor, sick and uneducated, and today we continue her legacy of caring and compassion in the name of Mercy. This year we celebrated Mercy Day by attending mass. Sixth year students along with their teachers were able to attend mass in the church and the remainder of the student body watched the service which was live streamed to all classrooms. Thanks so much to Ms Donovan for organising the lovely music for this mass.

BASKETBALL, CAMOGIE AND FOOTBALL TRAINING

Our Basketball, Camogie and Football Training are back on again. Camogie and Football training will take place every second Wednesday. Huge thanks to all of our trainers who are volunteering their time to offer this really important training to our girls. Thanks to Liam Slattery and Ms McSweeney, Mr Quill, Mr Galvin, Mr Byrne and Mr Hennessy. Basketball training for 1st and 2nd years will take place on Wednesdays and for 3rd to 6th years basketball training will take place every Thursday after school in our sports hall.

NEWS FROM TY

Transition Year students went hill walking on Musher Mountain recently. They were led by former Principal, Mr Ciaran Cooke and Trish Long, a long-standing walker in the mountain. Blessed with glorious weather, they really enjoyed their day. It was a lovely, covid-friendly bonding exercise for the whole group.

First Aid classes have also begun for the group. Delivered by Gerard McAuliffe, they will receive a Basic First Aid Certificate at the end of the 10-week programme.

ARTICLE FROM OUR TY JOURNALIST CLUB:

A BIG DAY OUT AT BALLYHASS - by Nora Twomey & Anna Brennan - TY

We, the Transition Year students of St. Mary's Secondary School started our school year off with a bang in 2021. We all made the journey to Ballyhass, Coachford, for a long day of fun, and FUN is certainly what we had. After a short drive from Macroom to the lakes, we immediately changed into wetsuits and hit the water for the Aqua Park. The Aqua Park was certainly very memorable; phenomenal cannonballs included. We had the opportunity to move around the floating obstacle course trialing all the tricky activities. Knocking not only our peers into the water as we went, but our teachers too, proved one of the day's highlights.

Later in the day, after drying off and eating a much-needed lunch, our group divided in two and we moved to the team games on land. The first group went to do an obstacle course involving a series of intense jungle-style monkey bars, walking the planks of death, stumbling through a tunnel of light and swinging like Indiana Jones on the rope swing. The second group had the thrilling experience of Ireland's first high nets course (eleven nets suspended ten metres in the air, with the appearance and concept of a trampoline). Both groups had the opportunity to try archery, which was relaxing after so much activity! Great levels of patience and concentration were shown throughout the group, with some even achieving bulls-eyes.

Lastly, we participated in group-bonding games, which everyone enjoyed greatly! Needless to say, the Transition Year trip to Ballyhass was the perfect way to begin the year and we would recommend this start-of-year bonding trip to every Transition Year group to follow.

DE LA SALLE College Macroom

Past Pupil Tom Downey received a silver medal in recognition of his outstanding academic achievement in the Leaving Certificate 2021. Tom received top marks across the board, acquiring a brilliant 8 A1 grades. Tom sat all his examination papers in June, compounding this marvellous achievement. Having also received the full 10 A's in his Junior Certificate, the Kilmichael man has excelled at every opportunity.

During his time at De La Salle College Tom was always massively modest. He played sport, got on very well with his classmates and teachers and always offered a helping hand when needed. His work ethic was exemplary, and combined with a brilliant mind, Tom achieved highly. He really was just a pleasure to teach.

We are so proud of this genuine and hardworking young man, and he is so deserved of this accolade in recognition of his wonderful Leaving Certificate achievement and six years of hard work. We want to wish him all the best in his Veterinary course in UCD.

Our Transition Years have started a range of modules on Friday afternoons. Some have been taking part in a 'Tidy Towns' module in conjunction with Macroom Tidy Towns and have been taking part in litter picks and cleaning the streams and river around Macroom town. Other students have begun their First Aid training to become certified First Aiders. The last group of

students have been partaking in health and fitness classes in Macroom Complex. Thank you to all groups for helping facilitate the above. Our Fifth Years enjoyed a well-deserved day out at Ballyhass Adventure Centre on Thursday September 16th. They enjoyed a range of activities from archery to water based obstacle course. All photos can be seen on the school Facebook page.

In September, 2021, we opened our third ASD class. This class caters for students with a diagnosis of Autism who over time may benefit from access to limited mainstream curriculum as well as undertaking the Level 2 learning programmes. Through Level 2 programmes they develop key skills around literacy, numeracy, independent living, personal care, access to the community and preparing for work. Each student has a curriculum tailored around their individual ability and needs and where abilities and student preferences allow, students will engage with their peers in mainstream and participate in a broad area of subjects. Students will participate in: Organisational support, Functional living skills, Literacy and Numeracy, Social and communication skills, Gym and Swimming, Cookery sessions and Food education, Life Science, Junior cycle short courses, such as caring for animals, Woodwork and much more.

HEADACHES ARE COMMON BUT NOT NORMAL

There are many culprits blamed for headache triggers; certain foods like chocolate, sunlight, stress and tension for example.

Whatever you put your headache down to, and before you reach for the painkillers, have you considered having your neck checked by a Chiropractor?

For those who struggle with headaches or migraines, we often see that the cause of the problem are the top 2 bones in the neck having rotated out of position or out of balance.

This affects the blood circulation to the brain which may cause these symptoms.

As a Chiropractor we determine if the root trigger for headaches is related to poor function of the spine, caused by perhaps an old injury, poor posture or as a result of nerve irritation.

Dr. Benjamin Martin of Optimal Chiropractic in Ballincollig

The Chiropractic adjustment helps restore essential spinal curves to reduce nerve irritation as well as improve circulation.

Correcting your neck and back will help alleviate pain, tension and help prevent future headaches and migraine.

We also advise on positive lifestyle changes that can be made to enhance your wellbeing.

TRY A FREE 15 MINUTE EXAMINATION AND POSTURAL ANALYSIS IN BALLINCOLLIG.

Why a Postural Analysis?

Poor posture while sitting or standing can cause misalignment, fatigue, and/or excessive stress on your neck and shoulders.

We can also recognise areas of the spine that aren't moving the way they should and determine if a misaligned posture is the reason for any recurring headaches or neck pain.

If Chiropractic care is not right for you, the team we will do their utmost to point you in the right direction.

To schedule a Free 15-minute assessment, please call 021 487 8465.

PASS WIDE AND SLOW

This weekend's PWAS ride in Ballyvourney/Coolea was a very special occasion for me! Firstly, it was in my homeplace, and secondly, it highlighted that we as riders, are all members of local families and neighbours. It also served as a reminder of the special place horses have always held in the hearts of Irish families and communities. Taking part in our ride was a father leading his young daughter alongside him and a mother walking alongside her daughter, giving her moral support,

as she rode on the road. We were also joined by Cllr Gobnait Moynihan who cycled alongside the horses, highlighting that shared access is a reality, not an aspirational vision! I was riding a mare that I had bred; her dam (mother) being born and bred in Coolea by my father. As we rode past neighbours, friends and family, all along our route, it reminded me that in these times of isolation and loneliness, horses can do so much to bring us together! At the finish, we were joined by Andreas Moynihan TD,

who presented our riders with their participation medals and congratulated them on the success of their campaign!

Thank you to the Gardai for minding us so well on our journey and to our photographer and stewards, who gave so willingly of their time to highlight our issues.

A special thanks to all the drivers who took the message and passed us wide and slow, with a smile and a salute! Thank you.

LEABHARLANN BHAILE BHÚIRNE

And just like that another month is gone and we are into the last quarter of the year. The slide into the longer nights was marked by the Autumnal Equinox on 22nd September. But before that happened, I took a few days staycation and visited the Burren. I stayed in a little place called Fanore in north west county Clare. On enquiry I got two meanings for Fanore one was that the name derived from Fáinne Óir – ring of gold, the other Fána Óir – the golden slope. Personally, I think the former suits it best as the beach there has beautiful golden sand that resembles a half buried golden ring. I spent a very pleasant few days there enjoying the sea to one side and the Burren to the other. In fact, it was very restful to go to sleep with the sound of the waves in the background.

I could remember visiting Fanore years ago – I can date it to 1970 because the song my sister, my cousin and I were belting out in the car was Chirpy, Chirpy, Cheep, Cheep. I was very young, and the nonsense lyrics appealed to me. My sister and cousin were first year teenagers and happy to show off their Radio Luxembourg Top 30 knowledge. My poor father must have been demented from the noise of us. I think we had a Vauxhall Viva then. At that time, you had to walk through farmland to get to the beach and if you wanted to park in one of the fields the old lady who owned the land charged – I can't remember was it 3d or 6d (I know, we've been through pence and cents since then). A day at the beach, a picnic and the company of our Clare cousins was part of our staycation those times. Now Fanore beach has a lovely car park, public toilets, a coffee trailer that also sells ice-creams, a surf school and lots of rabbits.

I had plenty of opportunities to catch up on my reading and when I had broadband/Wi-Fi coverage I was able to check the newspapers through the

Press Reader App and browse magazines on Libby. These online services are invaluable, but I know that some of you will be delighted to hear that we have actual newspapers available for reading again in Leabharlann Bhaile Bhúirne – another small step towards pre-Covid days. At present the Irish Examiner, The Corkman and Woman's way are available for browsing. Of course, masks must be worn, and social distancing and hand hygiene must still be observed. But please do call in to have a read of the daily newspaper here in Ballyvourney Library.

The membership of existing library members had been extended automatically during Covid lockdown however some of these memberships now need renewal. If you use the library online services, your membership must be current so please do remember to drop in to renew your membership if it has lapsed. Unfortunately, because we cannot host school class visits at present many children's cards need to be renewed so why not schedule an after-school visit to the library soon to re-enrol your children in the library and include a regular visit to Ballyvourney library in your winter schedule.

COACHFORD

Coachford Tidy Towns have installed 3 garden benches in Coachford Graveyard. The benches are made from recyclable plastic and each carries a very thoughtful inscription.

The committee hopes that the benches will be a place where people can sit and pray and rest for a while when visiting their loved ones.

This project was over 12 months in the making and huge thanks to Helena Merrigan for coming up with the idea and making it all happen. This project was supported and part funded by Cork County Council under the Community Amenity fund. The committee would like to thank all those who helped to install the benches.

Coachford to celebrate its bicentennial

Coachford Village might be just 200 years old.

In the whole scheme of things that seems very young. Considering Cork city is nearly 1,000 years old and Dublin is even older.

Of course, Coachford has been around for ages before that but it was only called Coachford around 200 years ago. In fact, the first mention of Coachford in any official document was on December 20th 1821.

Before that Clontead Beg, Nadrid, Clontead More, Glebe, Knockanowen and other townlands made up the area around the village. And still do. In the 1800's coaches were the preferred form of transport and it is recorded that coaches used to cross a stream or ford in the village and hence the name came into being.

So Coachford is 200+ years old and plans are being drawn up to begin celebrating this in December and for the next 12 months.

A programme of events will commemorate and remember the last 200 years and look forward to the next centuries.

Coachford is a vibrant and exciting village, it continues to grow and prosper and has a very bright future. But it also has a colourful and eventful past.

It's 200-year history the Lee valley village has witnessed wars, famines, murders, mayhem,

Some of the Coachford Tidy Towns Committee members at the installation of the garden benches.
Standing L to R Liz Thompson, John Hogan, Doug Lucey and Tracy Martin.
Seated, Helena Merrigan and Judy Greene

floods, land submerged, bridges built, prosperity, new directions, developments in agriculture, technology, education and transport.

In the years gone by it had a courthouse, a train station, a bakery, a hotel, a church of Ireland community, a fair day, a grain mill and a creamery.

Today the village is home to schools, shops, businesses, families, sports clubs, childcare, medical care, Garda station, a church, pubs, an international fishing venue, dozens of clubs and societies and residents from all over the world who call Coachford their home.

Everyone in the vibrant community is encouraged to get involved in celebrating 200+ years of Coachford and look back at its proud past and forward to its bright future.

Tickets for the Lotto can be bought in all the local businesses in the Village or online on the Coachford AFC Clubforce app

St Mary's are Camogie Queens of Munster 25 years ago in 1996

St Mary's Convent School Macroom has a proud history of all sports including Camogie. In 1996, 25 years ago their Senior Camogie team were crowned Munster champions. A report on the game reads as follows.....

St Mary's Secondary School Macroom fashioned a well-deserved victory in the Munster School's Senior Camogie Final in Charleville. In a replay against Tulla, Co Clare which saw three goals being scored St Mary's were victors by the narrow margin of two points. Anita O'Brien the team captain lifted the Cup to shouts of delight by the Macroom supporters.

The game opened with both sides struggling to get the first point of the hour. A sideline ball taken by St Mary's Hilda Dunlea reached Deirdre O'Sullivan but a chance for a score was cleared well away from danger by the vigilant Tulla backs. Tulla were first to register a score, a point from a placed ball, and the Clare girls followed this up with a second point from play, just minutes after St Mary's missed two valuable scoring chances.

St Mary's then came into the game with a great point from play courtesy of Claire O'Donoghue. Hilda Dunlea missed a free for the Macroom girls but made no mistake second time round when she converted a free to a goal, to put her side two points up on the Tulla girls. It was Dunlea once more who had the final score of the first half, a pointed free, which saw St Mary's leading at half time by Dunlea's goal.

On the restart Claire O'Donoghue was on hand to register the first score, a point from play while Tulla followed this up with a point of their own, also from play. Claire O'Donoghue's sister Una electrified the Macroom girls when she scored a cracking goal from play. St Mary's were now ahead by two goals and it looked as if it would be the Macroom girl's day. However, the Tulla girls had other ideas and soon they had the ball buried safely in the St Mary's net to leave three points separating the teams.

With time rapidly running out, the girls from the Banner County tried to add to the Munster and All Ireland win achieved by their County Senior

Hurling team and scored another point to leave the winning margin between the teams. This was to be the last score of the match and to screams of triumph and delight, team captain Anita O'Brien accepted the Cup on behalf of the side from St Mary's Secondary School.

The St Mary's girls performed brilliantly as a team with some glittering individual performances and truly deserved to win the replay.

Scorers for St Mary's were: Hilda Dunlea 1-1, Una O'Donoghue 1-0, Claire O'Donoghue 0-2.

TEAM: Brid Scanlan, Yvonne Corkery, Ciara Cronin, Elaine Linehan, Deirdre Healy, Anita O'Brien (Capt.), Hilda Dunlea, Caroline Mc Sullivan, Aoife Buckley, Una O'Donoghue, Claire O'Donoghue and Deirdre O'Sullivan.

Theft of Stop Signs

Cork County Council wishes to alert people to a recent spate of STOP sign thefts as a very serious road safety issue that puts lives at risk.

The Council has reported the incidents to An Garda Síochána after STOP signs were stolen from multiple locations.

Mayor of the County of Cork, Cllr Gillian Coughlan highlighted how

"What has happened across these locations is of immense concern. Cutting down or stealing a STOP sign is not a game. It puts all our road users at risk. It can lead to serious crashes if drivers are not aware that they need to stop at

a junction. Cork County Council is taking these incidents extremely seriously and have reported the matter to Gardai. I am urging people to report any suspicious activity and to please think of the possible ramifications of how these actions could impact on innocent victims."

Section 13(10)(a)(III) of the Roads Act 1993 states:

"A person who, without lawful authority or consent of road authority does anything that is a hazard or potential hazard to persons using a public road or the maintenance of the road shall be guilty of an offence."

Centenary Timeline for County Cork 1920 - 1923 - Submit Your Photographs

In recognition of the importance of the War of Independence and Civil War one hundred years ago Cork County Council has produced a draft centenary timeline spanning the 1920-1923 period, said listing having more than 500 entries – a compilation as such of some excellent research undertaken by a range of scholars over the years. This is available on the heritage events page of www.corkcoco.ie or by clicking here. The listing includes all the key occurrences of 1920 – 1923 including all major events from the County of Cork (including some other locations that involved people from County Cork), as well as key developments on the national level during this timeframe. All key ambushes, attacks and executions are included as well as events that saw the loss of life of Cork people, whether in Cork or further afield. Spanning the period close to 700 people died due to the War of Independence and Civil War – men, women and children, on both sides of the conflict and on none.

While every effort has been made to ensure the accuracy of information contained within

the document, given the volume of material and variations in the historical record, there are undoubtedly errors, omissions and other such issues. It is intended that this will remain a 'live document' and all suggested additional dates/amendments/etc. are most welcome, with this document being continually updated as appropriate.

To date there has been significant interest in this document and Cork County Council has decided to produce a limited print run of physical copies – this will be a summary booklet, with, what is hoped, some amazing photos of the people and locations referenced in the publication. To this effect Cork County Council is seeking the engagement of various groups, heritage associations, historical societies and interested individuals to submit what photos they can to support the hundreds of occurrences listed in the upcoming booklet. Details can be emailed to commemorations@corkcoco.ie or phone 021 4285905 for further information

New Mural Unveiled at Independence Museum Kilmurry

Independence Museum Kilmurry has a wonderful new addition on site – a mural by Cork Artist Peter Martin, which was supported by Cork County Council through the Arts Office and unveiled by the Mayor of County Cork Cllr. Gillian Coughlan on Saturday 14th August. The mural, which is well worth the visit, is located around the rear of the museum and is freely open to all to see at any time. The piece is inspired by the river Lee valley and some qualities of the embroidered Kate O'Callaghan dress in the museum. The text 'The Beauty of the World is the Heritage of All' is taken from a line in Terence MacSwiney's writings – 'Reflect on the common origin of the human race, on the beauty of the world that is the heritage of all, our common hopes and fears, and in the greatest sense, the mutual interest of the peoples of the earth'.

Call for poetry and writing from the people of Cork County for specially commissioned publications

Cork County Council will create two bespoke publications featuring poetry, thoughts and public recollections around the events of 1921 and how they relate to Cork County and the Ireland that we live in today.

This year marks 100 years of a number of key events in the War of Independence. More than 20 ambushes together with over 30 assassinations and executions took place across Cork County during 1921. 1921 was also the year that witnessed the Truce and the signing of the Anglo-Irish Treaty. As part of a series of commemorative projects, Cork County Council has launched a poetry competition for secondary schools within the county. The Council is also seeking written essays from anyone with an interest in this period of history for a publication titled 'Thoughts of Independence'.

Mayor of the County of Cork, Cllr. Gillian Coughlan highlighted how, "The Truce and the signing of the Treaty one hundred years ago were momentous occasions in Irish history. It is timely to ask ourselves, is the present reflective of a future that had been dreamed of? When reflecting on the past we get a better sense of ourselves in the world today, and what tomorrow could look

like. 1921 was a significant year in the County of Cork with ambushes in Dripsey, Cúl na Cathrach, The Battle of Crossbarry, and the greatest loss of Republican life at any War of Independence engagement, the Clonmult Ambush. There were house raids, barracks attacks, disappearances, rescues and close to 100 shootings. I hope that students and people of all ages will submit their poems or essays and show that 100 years later, we still remember."

Chief Executive of Cork County Council, Tim Lucey added, "The War of Independence and Civil War had profound impacts on Irish people, both individually and collectively, not least here in Cork County. These publications are an opportunity for everyone to share their thoughts on these pivotal moments in our shared history and form part of a series of commemorations that Cork County Council is proud to support. Through the County Cork Commemorations Grant Scheme, close to 30 groups are marking key events and ambushes. There will also be a War of Independence and Civil War Exhibition, a database of centenary memorials within the county, a commemorative oral history project and much more."

Secondary school students are invited to

submit their own poems relating to the War of Independence or the Civil War. Assessed by Cork County Council's Commemorations Committee, poems will be chosen to feature in a bespoke commemorative poetry publication. Every student who submits a poem will receive a copy of the publication with additional prizes for specially selected entries and the overall secondary school winner.

For the 'Thoughts of Independence' publication, the Commemorations Committee is seeking contemporary writings and insights into the events of 100 years ago and what they mean for us today. Historians, heritage societies, academics, students and anyone with an interest in this aspect of Cork's history is invited to submit an essay. A number of essays will feature in a bespoke publication which will form Book 1 of 2 with the second book undertaken in 2022/23 and focusing on the Civil War. Every person who submits an essay will receive a copy of the publication.

The closing date for receipt of all poems and essays is Friday 29th October and entries can be emailed to commemorations@corkcoco.ie.

KNOW YOUR RIGHTS: FUEL ALLOWANCE SEPTEMBER 2021

Who qualifies for Fuel Allowance and how is it paid?

Fuel Allowance is paid under the National Fuel Scheme, operated by the Department of Social Protection. It is intended to help people who are dependent on long-term social welfare payments and who are unable to meet their heating needs. The fuel season usually starts at the end of September and runs for 28 weeks until April of the following year.

Under the scheme, a Fuel Allowance of €28.00 per week is generally paid with your social welfare payment. In certain circumstances you can also opt to have the total allowance of €784 paid in two equal lump sums. The first lump sum is normally paid in early October and the second payment is in January.

Fuel Allowance is a means-tested payment. If you are getting a non-contributory social welfare payment, you are accepted as satisfying the means test.

You must live alone or with someone who also qualifies for the allowance – you cannot get the allowance if you live with someone who does not qualify. Where two or more people living in the same household qualify for the allowance, only one allowance is paid. If your heating needs are met in other ways (for example, if you live in local authority housing where heating is provided), you do not qualify for Fuel Allowance.

If you think you are eligible, you should apply immediately because the allowance will not be backdated after the start of the fuel season in October. The application form for Fuel Allowance (NFS1) is available from your local Citizens Information Centre, post office or by texting FORM FUEL followed by your name and address to 51909. To get your Fuel Allowance paid in two lump sums, fill in the Change the Payment Frequency form at least one month before the first lump sum is due.

If you apply for the Fuel Allowance after the start of the Fuel Allowance season, it will not be backdated. If you are getting a payment from the Department of Social Protection or a social security payment from a country covered by EU Regulations or a country with which Ireland has a bilateral social security agreement, the Fuel Allowance will be included in your weekly payment. You do not need to reapply for the Fuel Allowance each year as long as your circumstances remain the same and you continue to get the same social welfare payment.

A Word of Victory

Welcome back dear reader let's read 1st Corinthians chapter 13 from the New Living Translation of the Bible (NLT). You may know this Word as it is a famous chapter on love.

"If I could speak all the languages of earth and of angels, but didn't love others, I would only be a noisy gong or a clanging cymbal. If I had the gift of prophecy, and if I understood all of God's secret plans and possessed all knowledge, and if I had such faith that I could move mountains, but didn't love others, I would be nothing.

If I gave everything I have to the poor and even sacrificed my body, I could boast about it; but if I didn't love others, I would have gained nothing.

Love is patient and kind. Love is not jealous or boastful or proud or rude. It does not demand its own way. It is not irritable, and it keeps no record of being wronged. It does not rejoice about injustice but rejoices whenever the truth wins out. Love never gives up, never loses faith, is always hopeful, and endures through every circumstance.....When I was a child, I spoke and thought and reasoned as a child. But when I grew up, I put away childish things. Now we see things imperfectly, like puzzling reflections in a mirror, but then we will see everything with perfect clarity. All that I know now is partial and incomplete, but then I will know everything completely, just as God now knows me completely.

Three things will last forever—faith, hope, and love—and the greatest of these is love."

God considers love to be the greatest attribute. This is because God's very nature is love (1st John 4:7-21). His love is not conditional like human love – dependent upon feelings alone. God's love is 'Agape' - unconditional, committed and unchanging. This is why He can hold out mercy and forgiveness to us as long as we are on this earth (John 3:16-21).

God's nature versus human nature is best displayed in Luke chapter 15 when Jesus told of the 'prodigal son' (Luke 15:11-32). The father represents our Heavenly Father, and both sons represent us at different times in life. The younger son impulsively makes a rash and unwise choice that cost him everything. He only came to his senses when he ends up in the pit. But when he made that decision to humble himself and ask his father's forgiveness, everything changed for him and his future. He must have been dreading what kind of reception awaited him at home. How shocked he must have been though when his father RAN TOWARDS him while he was still a long way off. This is how God loves us dear friend. No matter how bad things are, or how low we have gone, He is waiting - longing for us to be reconciled to His love (2nd Corinthians 5:9-21). Jesus said "behold I stand at the door and knock..." (Revelation 3:20) Today, open the door because the handle is on your side, repent and be reconciled.

LAOCHRA ÓG

Laochra Óg U16 Camogie v Ballincollig 25th September 2021

Laochra Óg U12 Camogie County Caman Festival

Hard luck to our U16 Camogie team this evening playing in the County League semi final away to Enniskeane this evening. The Laochra Og girls put in a massive effort just coming up short in the end.

Laochra Og were 5 points to 1 going in at half time after having the bulk of the possession with fine performances throughout the team. Enniskeane came back into the game with 2 goals inside the second half to take the lead for the first time. Both teams exchanged points with Enniskeane defending brilliantly and keeping Laochra Og out especially at the end of the game. Enniskeane 2-04 to Laochra Og _07 points. The standard of play by both sides was of top quality and a great advert for Camogie in the County with players putting everything on the line. Hard luck to our girls and the best of luck to Enniskeane in the league final.

If you want to see the Laochra Og girls next up for us is another County semi final this time next Sunday 26th in the Championship against Ballincollig away at 5pm, We welcome your support.

Our U12 girls took part this morning in the County Caman Festival in Castle Road and played 3 games against Kilbrittan , Nemo & Grenagh . Thanks to Cork Camogie for organising a great fun morning and our girls smiling faces says it all ... Laochra Óg & Cork Camogie Abú.

Well done to our U16 Camogie team this evening against Ballincollig playing in the semi

Final of the County Championship Plate. It was a tough week after running Enniskeane so close last Wednesday in the County league Cup semi Final. Missing girls through injury today the girls dug deep to win by three points in the end against a very good Ballincollig side.

It was a game of two halves with Laochra Og going six points up at half time with Ballincollig coming back at us in the second half. Thanks to superb goalkeeping, great defending and well taking scores the girls hung on till the end for a hard fought win. A County Final awaits a reward for the hard work put in by these bunch of girls. Laochra Og Development point of view this team shows with belief, Character and hard work what can be done. MACROOM SOCCER

Maisie Murphy of Macroom FC recently captained the CWSSL U13s in the Gaynor Cup v Limerick Desmond League. It is a brilliant achievement for any player to represent their league in inter league competition. To captain their league is another top accolade. All at Macroom FC are very proud of Maisie and it is a great indication of the progress of Macroom FC girls club. This recognition gives great encouragement to all schoolgirl and schoolboy players when they see one of their own wearing the Cork colours.

The U12 boys entered league competition for the first time ever last weekend with all 3 of our teams playing. Macroom A (sponsored by Clancy's Fresh Fish) were first into action as they travelled to Millstreet to face Los Zarcos and lost out 3-1. The scoreline does not really tell the full story as Macroom competed brilliantly

Macroom U14 team through to the County Final

throughout against the home side's first team. There were loads of chances created, crossbar and post struck and on another day it could well have been an away win. A really encouraging

performance all the same with Cal O' Driscoll striking for the goal. Top performances also from David Condon, Simon McCarthy, Ben McCarthy, Oisín Rybalka and Kynan McGarry.

Macroon U12B (sponsored by Advance Pitstop) side were away to Avondale Utd B and were beaten 3-1. These lads gave a great display full of heart from start to finish. It was an end to end contest with both sides creating chances. Macroon had a fantastic goal from the excellent Ryan Long. They never gave up which was a pleasure to see and kept going until the final whistle. All over the field every player gave his all with Will Buckley, David Kelleher, Jack Sabas, Cormac Healy, and Con Moss having great outings. Squad: David Kelleher (C), Cormac Healy, Jack O' Sullivan, Ryan Long, Scott Baillet O' Leary, Will Neville, Will Buckley, Jack Sabas, Ryan Lehane, Darragh McSweeney, Con Moss.

Last Sunday, the U12 division 3 team debuted and they defeated visitors Tramore Athletic 7-0 at a wet Murrayfield. It was a really good outing all over the field and like our other 2 teams the whole squad contributed. Goals came from Jamie McCarthy (2), Matthew Kelleher, Aled Hopkins, David Bradley, Daniel Harte and Dylan O' Shea with fine outings for Cian Lee, Micheál Deasy, Michael McElroy, Brian McCrory and

Ciaran Coleman.

Macroon FC U13 girls travelled to Avondale Utd and performed heroically, despite being short a host of players who were receiving confirmation. Well done to all players, coaches and parents for the support.

The U15 girls made the trip to Mitchelstown to play Park Utd and had a fine 3-1 away win. Lisa O' Donovan delivered a very early goal but the hosts equalised shortly after. It was end to end now with Mya O' Sullivan in goal keeping Macroon level with a tremendous save. The visitors went ahead on half time when Saorlaith Murphy was on target. The second half was keenly contested but the points were made safe when Szonja Mora got Macroon's third. Another great performance with Lilly Myler, Lucy Hinchion, Naoise O' Brien and Orlaith O' Brien doing well.

The U19 girls headed to Passage and lost out 3-2 to the home side. Macroon matched their opponents all the way and were level 2-2 late on, Grace Scanlon providing a brace of goals. Passage again went ahead and Macroon piled

on the pressure but were unable to level the tie. In another away game, the U14 boys headed for Kanturk and returned with a highly creditable 2-2 draw. Trailing 2-0 at half time in difficult conditions, the Macroon lads staged a marvellous second half comeback. First Robert Fitzgerald found Rory McCarthy to finish well and it was McCarthy again who won a point for Macroon when he struck home via the upright. The U15A team, sponsored by Macroon Opticians, continued their good start to the season. They hosted Avondale Utd A at the Town Park and all 16 players delivered an outstanding 6-1 win.

In non competitive games, the U11 boys welcomed Carrigaline Hibs to Murrayfield while the U11 A panel headed to the Landing Field and played Ballincollig. Both games were very enjoyable with all players receiving plenty of game time. The U11 girls played Lakewood Athletic at Murrayfield in a highly entertaining game. Macroon FC coach and Cork City player Ava Ronan was an excellent referee for this tie.

Maisie Murphy of Macroon FC recently captained the CWSSL U13s in the Gaynor Cup v Limerick Desmond League

U14s

Macroon U14s played Bandon in Cloughdub in the u14 Premier 2 county final on Thursday 16th Sept. A huge Macroon crowd was there to witness Macroon winning a county title in a highly entertaining game. Bandon, aided by a strong wind, had the better start and held a 2 point lead at the first water break. Macroon settled and played some excellent football in the second quarter to lead at half time on a scoreline of 1-6 to 2-2.

Bandon had a very strong start to the second half, scoring 2-1 without reply, leaving Macroon with a 6 point deficit. As has been the case with this team on numerous occasions, they didn't panic and kept playing football in the right manner. A goal and a point at the end of the third quarter reduced the deficit to 2 points. Macroon piled on the pressure in the final quarter and kept Bandon scoreless, whilst scoring 1-2. The winning score being a goal with 5 minutes left. The final whistle was greeted by some great scenes on a well-deserved victory. Regan Wong (captain and man of the match) accepted the cup on behalf of his team mates and Macroon GAA.

The manner of the victory was very satisfying for all concerned. The never say die attitude and heroic defending, particularly in the second half, was a credit to this group of lads.

Final Score: Macroon 3-9 Bandon 4-3

Team: Noe Kollar, Donagh Murray, Ray Griffin, Ryan Siju, Regan Wong (capt), Denis McSweeney, Rory O'Shea, Cian O'Sullivan (1-04), Odhran Creed (0-2), Kuba Gdaniec, Billy Coleman (1-0), Sam Leavy, Charlie Magee, Jack Leavy (1-0), Ruadhan McKenna (0-2), Shane McCarthy, Billy Murphy (0-1), Ben McCrory, David Neville, Euan Molyneaux, Kristian Ruthviski

U13 The under 13s team A played St Colums in the Premier 2 semi final on Saturday 25th in the Castle Grounds.

Macroon took an early lead with a goal from Jack Leavy then St Colums got the next four points. Macroon scored again a point from Billy Murphy but St Colums went in a half time a point up. St Colums started well scoring another point but Macroon went ahead with a goal from Darragh Donovan. It was nip and tuck from there on St Colums battled back into the game took the lead again but a point from Alex Brophy brought Macroon level again.

A real intense finish to the game followed St Colums hitting a couple of wides. With one of the last plays of the game Macroon's centre back Sam Leavy gathered the ball, burst forward with some good interplay with his midfield and forward line kept going to kick what turned out to be the winner. The referee blew for full-time shortly after much to the relief of all.

Commiserations to St Colums but huge

congratulations to the lads of Macroon on reaching the final, Crosshaven will be the opposition. Looking forward to everyone supporting the team in the final fixture TBC.

U11 The U11 footballers have had a busy few weeks with training and several matches both home and away. We welcomed Duarigle Gaels to Tom Creedon Park on Tuesday 14th, which turned out to be a wet and windy evening for football. The weather didn't hinder performances as both teams played to the best of their ability.

On Saturday, September 18th, we travelled to Kilmurry for a local Rebel Óg Blitz and played teams from both Kilmurry and Diarmuid O'Mathunas'. On Saturday, September 25th, we hosted Bishopstown U11 in the Castle Grounds where we enjoyed two very competitive games. The players continue to improve with each game. Their determination and competitive spirit must be commended! Training continues as normal on Tuesday and Saturday and new players are always welcome.

Fermoy were in contention throughout, they led this game at half-time by a single point and were only overcome at the end. Inniscarra 0-19 Valley Rovers 1-19

Valley Rovers, whose footballers had defeated county champions Nemo Rangers a week earlier, made a winning start to their Co-Op Superstores PIHC campaign with a hard-earned win over Inniscarra at Ovens.

Trailing by a point at the interval, the Innishannon side upped the tempo in the second half where the accuracy from placed balls by Chris O'Leary proved crucial. Inniscarra conceded over twenty frees in this encounter. Valley Rovers led 1-6 to 0-4 at the first water break. The second quarter totally was dominated by Inniscarra and three frees from Fergal O'Leary, three from play by Kieran Rice and one by O'Connell saw Inniscarra lead 0-11 to 1-7 at the half way mark, the 'Scarra defence only conceding a single point.

Inniscarra had points to level 1-13 to 0-16 entering the final quarter. Indiscipline proved disastrous for 'Scarra as Valley's Chris O'Leary pointed four more frees. Inniscarra went in search of a goal but the Valley Rovers defence stood firm.

Blarney 0-15 Kanturk 1-12

There was nothing to separate Blarney and Kanturk in Round 2 of the SAHC as both sides kept their unbeaten records alive under lights in Mallow.

Cork stars Shane Barrett and Mark Coleman shone for Blarney, ably assisted Keith Costello, Pádraig Power and Declan Hanlon.

Blarney led 0-4 to 0-3 at the water break, were on top for most of the second quarter but only led by 0-10 to 0-8 at half time.

A point followed by a superb goal, powered

Kanturk into the lead soon after the restart.

Points from Coleman and Mark O'Leary kept Blarney in touch but as the game entered the final quarter it was Kanturk that led by two, 1-11 to 0-12. Power landed the levelling score with three left on the clock as both sides continue unbeaten in this season's championship.

Inniscarra 4-13 (25) Watergrasshill 2-17 (23)

Inniscarra came out on top following a pulsating Co-Op Superstores PIHC encounter against Watergrasshill in Grenagh, showing great character to secure the win late on.

Watergrasshill led by a goal at half time but Cork star Sean O'Donoghue got an early Inniscarra second-half point to reduce the gap down to two between the sides, with O'Mahony also converting for the Mid-Cork side. Watergrasshill got another impressive point on 45 minutes followed by a goal, with O'Donoghue scoring for Inniscarra as they tried to keep this game alive. O'Donoghue then struck for a super goal after the second water break to reduce the gap to four points.

Inniscarra refused to give in and Colm Casey raced through and finished clinically to raise a green flag. In a dramatic conclusion, Watergrasshill went back ahead but then Seán O'Donoghue fired home to the back of the net to retake the lead for Scarra and he capped off an excellent display with a superb long-range score. Scorers for Inniscarra: S O'Donoghue (0-2 f) 2-4, F O'Leary (0-3 f) 1-3, C Casey 1-0, S O'Mahony 0-4, J Harrington, O McCarthy 0-1

Ballincollig 0-23 Kilworth 1-20

AN injury-time pointed free salvaged a deserved draw for Kilworth in this cracking Co-Op Superstores 2021 PIHC clash with Ballincollig at Carrignavar.

Kilworth were the better side in opening half and the Ballincollig defence was hanging on at times and trailed by four points at the break. But the Mid Cork side stormed into the game in the third quarter and two cracking points from team captain Cian Dorgan had edged Ballincollig in front in additional time before McNamara's late equaliser in a truly pulsating contest.

Kilworth led by 1-5 to 0-5 after 11 minutes before Ballincollig regrouped after the water break and reduced the gap to the minimum after 20 minutes but Kilworth finished the half strongly and led by 1-13 to 0-12 at halftime.

Collig rallied strongly and edged in front before the Avondhu outfit levelled just before the second water break.

Both teams battled ferociously down the home straight and as the game entered overtime Ballincollig looked to have snatched it when Cian Dorgan landed two classy points from out on the sideline but Kilworth got the equaliser.

Scorers for Ballincollig: S Wills 0-8 (0-6 f), S Walsh 0-4, C Dorgan 0-3, D Bowen 0-3 K Walsh, C Sexton, G Donoghue, R O'Donovan, P O'Neill 0-1 each.

AN impressive opening half saw Carrigaline get their Co-Op Superstores PIHC ambitions back on track when they overcame Éire Óg at Ballygarvan.

Carrigaline led 1-13 to 0-5 at half-time, the goal coming from David Drake, and they were in control of the match. Éire Óg improved after the break, but the deficit was too big, and Carrigaline will now take on Youghal safe in the knowledge, that a win will see them qualify for the quarter-finals.

Kilmichael 1 - 20 Aghabullogue 2 - 9

There was a change of fortune for Kilmichael at Cloughduv when their hurlers came good in the 2nd round of the MKJ Oils Mid Cork Junior Hurling championship and had a comprehensive win over Aghabullogue. Kilmichael gave a very commanding performance which belied their poor recent record and in Peter Kelleher they had the outstanding performer on the field. The Kilmichael stalwart scored no less than 1-14 of his side's total, 1-8 from play. Jack Murphy scored all 2-9 of the Aghabullogue scores, a personal tally which would be counted as remarkable on any occasion but was eclipsed by Kelleher's

performance in this game.

The sides were level at 0-4 at the water break, a scoreline reflecting the closeness of the exchanges and Kilmichael had lost Brendan Cotter to injury after an accidental clash.

Kilmichael in the second quarter established a firm grip on proceedings. In the run up to half time Peter Kelleher broke the stalemate with his close range flick to a Conor Cotter sideline cut, sweeping the sliotar past the Aghabullogue goalkeeper Donal Twomey, and the big Kilmichael man tacked on three points to give his side a 1-9 to 0-6 lead at the interval.

An early exchange of points on the resumption from Chris O'Connell and Murphy, was followed by three more from Kelleher to open up a nine point gap and further points from Kelleher and another from Ronan Murphy, had Kilmichael in a very comfortable position at the last water break.

Aghabullogue did stage a late rally which yielded two goals.

Scorers: Kilmichael: Peter Kelleher 1- 14 (0-8f) , Conor Cotter 0-4, Chris O'Connell and Ronan Murphy 0-1 each. Aghabullogue: Jack Murphy 2-9 (0-5f, 0-1 sideline).

Cloughduv 0-17 Aghabullogue 0-12

Cloughduv junior hurlers, the club's second team won the Mid Cork title in 2019 but were disappointing last season and failed to advance beyond the opening rounds. They were back

on track for their opening round of this year's championship and had a comfortable win in the end over Aghabullogue at Ovens under lights. Cloughduv led by 0-5 to 0-1 after ten minutes but Aghabullogue had drawn level by the water break at 0-5 each. Stephen O'Donoghue was on target for the winners along with Jack Kelleher and Donal Corkery. Seán O'Sullivan with 0-3 and Jack Murphy accounted for the Aghabullogue tally. The second quarter was very closely contested with O'Donoghue continuing to find the target and Ardghal Ó Buachalla and Jack Murphy getting a brace apiece for Aghabullogue who led by 0-9 to 0-8 at the interval.

On the resumption, the teams twice exchanged scores but then Aghabullogue were reduced to 14 men after losing a midfielder to a second yellow card and Cloughduv had edged ahead by the water break, 0-12 to 0-11. Stephen O'Donoghue was lethal from frees in the final quarter and punished every indiscretion as Cloughduv remained on top.

Scorers: Cloughduv: Stephen O'Donoghue 0-13 (0-9f), Jack Kelleher 0-2, Donal Corkery and Tomás Collins 0-1 each. Aghabullogue: Jack Murphy 0-6 (0-3f), Sean O'Sullivan 0-3 (0-1f, 0-2 '65'), Ardghal Ó Buachalla 0-2, Paudie Twomey 0-1.

Three points from Ultan Duggan in the third quarter had Grenagh a point in front, 1-8 to 0-10, at the water break and a winning point from Michael O'Riordan in the 60th minute when the sides were level got Grenagh over this hurdle. Béal Átha'n Ghaorthaidh 1-9 Bandon 1-10
This game at Kilmurry got off to a slow start, Ben Seartan finally registered the game's first score in the sixth minute with a free for the Gaeltacht side, but Bandon then reeled off three-in-a-row before Béal Átha then struck for a goal, Ben Seartan shooting home. Liam Seartan followed up with another score for Béal Átha to give them a 1-2 to 0-3 lead, but they then failed to press home their advantage as Bandon began to control the game.
Bandon led by 0-8 to 1-4 at half time but looked comfortable leading by 1-10 to 1-5 eight minutes after the resumption. They were not to score again but Béal Átha missed too many chances to reel them fully in even when Bandon

played with fourteen men for the final quarter. The Gaeltacht side will play O'Donovan Rossa in their final group game and its still all to play for! Scorers for Béal Átha'n Ghaorthaidh: B Seartan 1-5 (0-2 f), L Seartan, A Ó Coinceannain, C Ó Duinnín, C Ó Loingsigh 0-1 each. Maximum points for Naomh Abán in Group A of the Bon Secours Cork PIFC after they recorded their second victory in Ovens. The Ballyvourney men were 0-11 to 0-2 up at half-time, but a

battling St Nick's put it up to them in the second half but could not close the gap to less than six points. Kanturk 2 – 9 Macroom 1 – 11

Macroom lost to Kanturk in the Bons Secour Hospital County Premier Intermediate Football Championship by a point and this defeat means that when the Mid Cork side faces St Nicks at Ovens in two weeks time, it will be a potential relegation tie. Naomh Abán and Kanturk, both unbeaten, will be battling it out to see who will top the group as both now progress to the knock out stages.

Macroom were only a point in arrears at the water break, 2-2 to 1-4.

The second quarter continued to be very evenly contested but Kanturk led by 2-7 to 1-7 at the half time break. The Duhallow men led by 1-8 to 1-9 at the 2nd water break and in the 59th minute Kanturk goalkeeper Kyle Holland kicked over a free from 50 metres to open up a three point gap once again but Macroom battled on. Alan Quinn fisted over a point, Seán Kiely swung over a point from a free but Kanturk

defended in numbers and denied Macroom the equaliser they probably deserved.

The winners had a lead of double scores, 0-16 to 1-5 at the last water break and were never

likely to let the Rock come back into contention. With wins over Nemo and now the 'Rock, Cill na Martra will be favourites to defeat St Vincents in their final group game and remain unbeaten. Iveleary 0-25 Millstreet 1-13

Iveleary secured their quarter final place in the Bon Secours Co. IAFC after defeating Millstreet at Ballyvourney. Apart from a brief spell prior to the interval where Millstreet came from five points down to enjoy a one point lead, Iveleary were clearly the better team and fully deserved their second win in the campaign. Once again, Cathal Vaughan and Chris Óg Jones delivered an exhibition of sharpshooting with 0-11 and 0-10 tallies registered respectively.

Trailing 0-10 to 0-5, a Millstreet goal inspired a fruitful period for the Duhallow men who led by 1-9 to 0-11 at the interval. Iveleary upped their game on the restart, fired over five points in quick succession and led 0-19 to 1-11 at the second water break.

Thereafter Iveleary, piled on the pressure.

To those who provided food and refreshments, those who telephoned from long distances, sent floral tributes, mass cards, sympathy cards and messages of condolences - we are truly grateful. 5TH ANNIVERSARY

In loving memory of

**KITTY
O'DONOGHUE****O'Connor Park, Masseytown,
Macroom****Who died on 29th September 2016**

*I tried to fight all the demons inside
All the pain and fear I couldn't hide
My heart was heavy
from this time on earth
Only causing pain because of my hurt.
I was ready to go home,
my body was weak,
My mind couldn't bare
anything left to speak.
I endured the sadness as long as I could
If I could now bring yours with me
I surely would.*

*Please know that my life wasn't all bad
I laughed and I loved,
so many good memories I had
My heart was so full of love for you.
This I promise was always true
Although it was covered by tears
on my face*

*It was blocked by the pain I couldn't erase
My heart is now mended,
my soul can fly high
Like a beautiful bird,
it soars through the sky.
I can watch over you now
with all the love in my heart.
I'm so sorry it has to be with us apart
Please don't ever be sad or angry at me
My shattered heart has been set free.*

Loved, remembered and missed everyday by her loving husband Danny, daughter Liz, sons Anthony and Gary, son-in-law Jer, and Kitty's three angels Jamie, Zara & Charlie.

We never wanted you to be a memory

We also remember Kitty's daughter-in-law Caroline. May they both rest in peace.
